

CPP41419 Certificate IV in Real Estate Practice

Stock and Station Agent
(conversion course)

Course Outline

RTO Provider Number 91585

CPP41419 – Certificate IV in Real Estate Practice Stock and Station Agent

Reason for undertaking this course:

This course has been developed in line with NSW Fair Trading requirements for those wanting to apply for the stock and station category who already hold a real estate licence. Successful completion of these units will allow application to add the stock and station category to an existing real estate licence (class 1 or class 2).

There are no Pre-requisites required to undertake these units of competency, however, you must hold a current Real Estate Licence with NSW Fair Trading.

The course consist of 5 units of competency comprising of 4 Livestock units and 1 Rural Property unit.

These units form part of a qualification that is nationally recognised and can only be delivered by a Registered Training Organisation (RTO) that complies with the governing standards of quality control and quality training and assessment.

Upon successful completion of this course, you will be issued with a Statement of Attainment.

Participants who exit the training program without completing all assessments will be issued with a statement of attainment for those units in which they have demonstrated competency.
